

COSHCON2025

POSTER SESSION

October 8-10, 2025 | UIC Student Center East

DO YOU HAVE A POWERFUL CAMPAIGN OR NEW RESEARCH ON WORKER HEALTH AND SAFETY TO SHARE? PRESENT IT AT OUR POSTER SESSION — A FUN AND CREATIVE WAY TO CONNECT, INSPIRE, AND INFORM!

Presenting a poster at COSHCON is an opportunity to help conference attendees learn about a recent worker health and safety campaign or novel research project. ***The poster session gives you an opportunity to be creative!*** Posters illustrate findings by displaying graphs, photos, diagrams, and a small amount of text on the poster boards.

The Poster Session, hosted in collaboration with the UIC School of Public Health, will take place on **October 9th at 2:00 PM** during the Expo @ COSHCON. Presenters should provide a brief synopsis of their poster (1 min.) and be comfortable discussing and answering questions from conference participants.

Poster Requirements: Presenters must adhere to the following poster session requirements.

- Presenters must be registered for the conference (student discounts available!).
- The poster can be up to 3 feet tall by 4 feet wide, mounted.
- The poster designer must remain with his/her poster during the special 45-minute poster session.
- Posters must be removed by noon on October 10th.
